Memo

Date: August, 2005

To: MGA Member Clubs

From: Kathy Stoesz
Executive Director

Re: **MGA Insurance Coverage**

The Manitoba Gymnastics Association Insurance Plan is taken out through All Sport Insurance Marketing Ltd. **Please read the following information carefully:**

1. The Insurance coverage is a **second-payer**. Expenses eligible under any other health care plan(s) must be submitted to that plan(s) first. This policy will pay only the amount of expenses that are not eligible with any other insurer. Documentation must be supplied by the claimant.
2. The *Athletic Accident Claim Form* must be submitted to the MGA with either an *Attending Physicians Statement* or a *Dentist Form*, depending on the nature of the injury.
3. An *Athletic Accident Claim Form* must be submitted within **90 days** of the accident date. A Physician/Dentist must have been consulted within **30 days** of the accident date.
4. Claimant completes **PART A** on a Claim Form and Club President, Coach or Manager completes **PART B**. Once these two portions of the Form are completed, and the *Attending Physicians Statement* or a *Dentist Form* has been filled out by the Doctor, mail in the form to the MGA Office and it will be submitted to All Sport Insurance through Sport Manitoba.

If you have any questions about the All Sport Insurance Program, or about Insurance in general, please contact me at the MGA Office: 925-5782 or toll free: 1-800-282-8069, e-mail: kstoesz@sport.mb.ca

Please make copies of the claim form for distribution to any member that may have to submit a claim.
