President's Message

It gives me great pleasure to welcome you to the MGA Annual Awards Event. The Awards Event is an opportunity to recognize the Athletes, Coaches, Officials and Volunteers who have strived for excellence in their respective level in 2004.

The Provincial and National Stream athletes achieved great success at the Western Canadian Championships and Canadian Championships where our boys and girls reached the podium many times. The MGA was also represented at the Western Canadian T & T Championships where positive results were achieved by our athletes.

The Regional Stream Provincial Championships featured over 350 athletes from 24 Clubs across the Province. This was an all time high number of participants in this event, so the All-Around Champions that we are recognizing tonight are to be commended for their outstanding achievement.

The athletes at each of these levels and disciplines can only achieve success with the guidance of high quality coaching and the presence of high level judges at their respective meets. The coaches and judges deserve recognition for constantly striving for excellence.

The Annual Awards Event will also feature the MGA Special Awards - given to MGA Members who have displayed dedication and excellence as a Coach, Judge, Volunteer and Administrator. To culminate the evening, the "Jack Mowat Award" will be presented to an MGA Member who has dedicated over 15 years of exceptional service to the Sport of Gymnastics in Manitoba.

I want to thank you all for attending and best of luck in the coming season.
