President's Message

The Manitoba Gymnastics Association went through a year of growth and change in 2004-2005.

The growth of the Manitoba Gymnastics Association over the past year can be linked to some of our new clubs which are expanding rapidly and attracting new members to their clubs. These clubs have experienced more success by offering new and innovative programming to their membership.

The positive growth has also come in other areas such as Tumbling Programs being offered in an increasing number of clubs in the province. These programs have spawned a number of new competitors who represented Manitoba with distinction at the 2005 Western Canada Cup T & T Championships.

The Regional Stream Program in Manitoba continues to expand in scope and numbers in Manitoba. The Regional Stream Program ran steadily from January to April culminating in the largest Regional Stream Provincials ever with over 400 competitors. Congratulations to the many, many hard working coaches and volunteers in these clubs for their commitment to the program.

The Province's Competitive Program also received a boost this past year with the addition of Robert Persechino as the Women's Provincial Team High Performance Coach. With the addition of Robert to our Provincial Staff, it will enable the WTC to pursue excellence in the years to come. The Men's Program also welcomed a world-class coach to its committee as Murat Kanakayeu has brought his international expertise to Manitoba. Murat coached the Malaysian Men's Team at the 1998 Pacific Alliance Championships in Winnipeg and is glad to be back in our province as a leader in the Men's Program.

Once again our athletes have worked diligently and represented us extremely well. They have set their goals high and achieved many personal bests. Their dedication to the sport is admirable. Congratulations are extended to all athletes involved in our amazing sport.

The continued development of our sport would not be possible without the assistance of our major funding partner Sport Manitoba and our many great sponsors. The MGA wishes to recognize our partners for their continued support.

The MGA hosted the 2005 Western Canadian Championships in April and would like to thank the many volunteers that assisted in the hosting of this event. In addition, the MGA recognizes our friends in the Manitoba Sports Media who once again provided top notch coverage of this event and many other events.

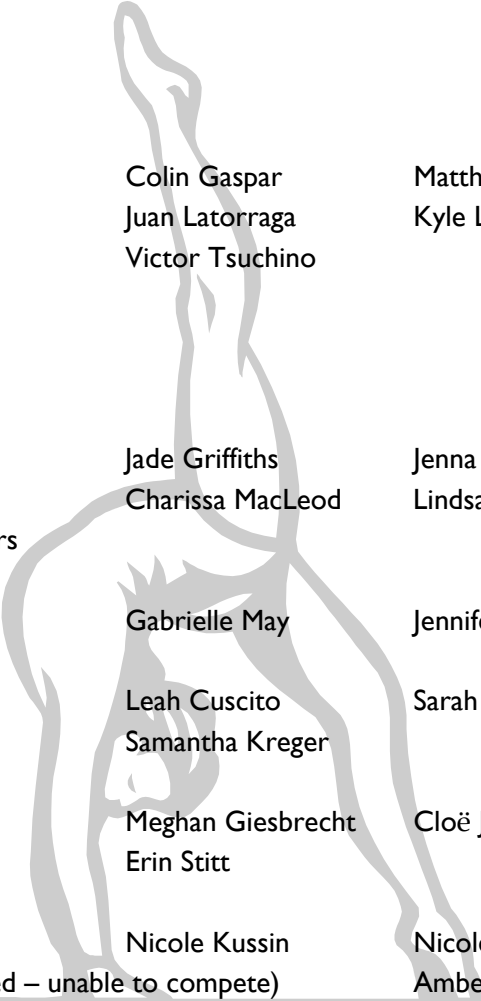

The major area of change in 2004 - 2005 was in the form of funding. Sport Manitoba has introduced some new initiatives in this area and the MGA has worked closely with Sport Manitoba to ensure that we are aligning ourselves with their future funding vision.

In closing, I want to thank the hundreds of coaches, judges and volunteers that assist in the delivery of our great sport on a daily basis. These are the people that are the heart of our sport and who enable our athletes to achieve their goals. I would also like to thank our dedicated provincial staff and our Board of Directors for their on-going support.

Fred Reichardt
