

Manitoba Gymnastics Association 2018-2019 Letter of Intent

If your club was registered with the MGA in the previous season, the MGA allows you an initial 30 day grace period to register your members after your club program begins. In order to take advantage of the grace period and discounted club fee you must complete this form and submit it to the MGA by September 15th.

If your club does not resume until the new year or later, please forward this letter of intent and club fee for continued mailings, discounted club fee, information and grace period when your club does commence.

If your program begins and you have not submitted the required forms and fees, your club will **not** be insured until your membership is received.

If you return the form and club fee but your full membership is not received within thirty days of your program start date, your insurance coverage will lapse until your membership is received. You will also have to include an additional \$1.00 per member.
